Dyn-O-Mat Environmentally Safe Products

Dyn-O-Mat[®], Inc.'s research staff includes over twenty experts in diverse fields such as Science, Technology, Chemical Engineering and Marketing, who work with these two goals in mind:

How Can We Help To Save Our Environment What Can We Do To Help Humanity

In addition to our environmental absorbent products, Dyn-O-Mat[®], Inc. is aggressively pursuing technologies that will help to save our environment as well as help mankind, with innovative products designed to help lessen the destructive power of Mother Nature. Rigorous testing and analysis ensures that every product with the Dyn-O-Mat[®] name is environmentally friendly and safe.
