Vobis dedit demonstracionem in Tabulis vris.

E.T.: There appeare of the figure, (before, imperfect) two little women:
One of them held up a Table which lightened terribly: so that all the
stone was covered with a myst.
A voyce cam out of the myst, and sayd,
Ex his creatæ sunt, et hæc sunt nomina illorum.

E.T.: The myst cleareth, and one of the women held up a Table,
being thus written uppon.

Numerus Primus.

Δ: The Table semed square, and full of letters and numbers, and
Crosses, in diverse places, diversly fashioned.

Δ: Remember, Ese and Iana; ar the thirdth and fowrth of the
Septem Filiaæ Bonitatis, supra lib. 2.° They are thus in
order these: EL, Me, Ese, Iana, Akele, Azdobn, Stimcul.
A finger cam out of the mist, and wyped oute, the first shew, with
the Cross, letters, and numbers.
The second was in like wise.
The Third was a b with the tayle upward thus: \( \mathcal{G} \)
The 52 with the three great \( \mathcal{B} \mathcal{B} \mathcal{B} \) seme to be covered with Gold.
The two Crossed ones he did not wipe out with his finger.
The next he blotted oute.
He blotted not oute the three \( \mathcal{F} \mathcal{F} \mathcal{F} \) with the 8 and 3.
The two barrs must go clere and not towch the bars.
The \( \mathcal{M} \), the square, wherin it standeth, is all gold:
and that he let stand.
Fire cam oute and burnt
The is all of a bright cullour, like the brightnes of the Sonne,
and that was not put out.
The places are very black, but where the letters, and numbers do stand.

E.T: There commeth a hand and putteth the little woman into the clowde.
Mi: Praye God: Be inwardly merie.
   The Darkness is comprehended.
   God bless you: God bless you: God blesse you.
You must leave of for an howre and a half: for you have .6. other
Tables to write to night.
   Praye God: be joyfull.
   After supper we resorted to our scholemaster.

E.T: I here a voyce but see nothing: he sayeth,
   *Initium bonum in nomine ejus et est. Halleluyah.*

E.T: Three quarters of the stone {on the right side} are dark, the other
   quarter is clere.
Mi: *Venite filiae filiarum ESE.*
The nethermost . . . .

E.T: There come six yong maydens, all in white apparell, alike:
   Now they all be gone into the dark parte of the stone, except one.
   There cam a flame of fyre out of the dark, and in the flame written
   Vnus on this manner:

She that standeth without, putteth her hand into the dark: and pulleth out
a ball of light: and threw it oute: and it waxed bigger and,bigger and
it Thundred.

E.T: A voyce sayd, *Dies primus.*
An other voyce: *Ubi est Tabula!*
an answer: *Est, Est, Est.*
She wyndeth and turneth her self abowt, beginnyng at her hed, and so
was Transformed into a Table, rownde.

E.T: Three faces do shew and shote oute, and ever returned into one hed
agayne: and with it cam a merveylous swete savour.

The Table was of three cullours: white, redd, and a mixture of white
Of these seven tables, characters, or scotcheons, consider the words spoken in the fifth boke A° 1583, Aprill 2d. How they are proper to every King and prince in their order.

They are Instruments of Conciliation.

/Volumine 5°./ where my Character is fashiond
A strong sound was heard, as of clattering of harness or falling of waters. A sterre shot out of the dark, and settled itself in the middle of the table. The fire which came out with the woman, did compass the table about. A voice said:

O honor, Laus et gloria, Tibi qui es, et eris

The table sheweth wonderful fair and glorious. Only seven priks appeared on the table.

The three angles of the triangle open, and in the lower point appeared a great A. And in the right upper corner LV. (E.T. The table trembled.)

And in the other corner appeared three circles of equal bigness, equally, or alike intersecting each other by their centers.

A voice:

Unus est, Trinus est; in omni Angulo est.
Omnia comprehendit: Fuit, est, et vobis erit.
Finis et Origo.

(E.T. ô, ô; with a dull low sound, he pronounced.)

E.T: The woman sayeth,

Fui: sum quod non sum.

Δ

A voice:

Lux non erat et nunc est.

E.T: The woman being turned, from the shape of the table, into woman's shape, went into the dark. Then one part of the darkness diminished. In the dark was a marvelous tumbling tossing, and stir, a long time during.

A voice: For a time Nature cannot abide these sights.

E.T: It is become quiet, but dark still.

Then came a ball like a glass: and a voice was hard saying,

Fiat.

The ball went into the darkness, and brought with it a great white globe hollow transparent. Then she had a table about her neck, square of 12 places. The woman seemed to dance and swing the table: and then a hand came out of the dark, and stroke her, and she stood still, and became fairer: She said,

Ecce signum Incomprehensibilitatis;

E.T: The woman is transformed into a water, and flyeth up into the globe of light.

A voice:

Est, Est, Est.

E.T: One commeth, (a woman) out of the dark, very demurely, and soberly walking, carrying in her hand a little round ball: and threw it into the dark: and it became a great thing of earth. She takes it in her hand again, and flings it into the round globe and says,

A voice: For a time Nature cannot abide these sights.

E.T: The woman being turned from the shape of the table, into woman's shape, went into the dark, and out of the dark, and brought with it a great white globe. Then one part of the darkness diminished. In the dark was a marvelous tumbling tossing, and stir, a long time during. A voice:

Ormium comprehendit: Fuit, est, et vobis erit.

E.T: The woman sayeth, Fiat: sum quod non sum. The ball went into the dark, and out of the dark, and brought with it a great white globe. Then one part of the darkness diminished. In the dark was a marvelous tumbling tossing, and stir, a long time during:

A voice: For a time Nature cannot abide these sights.

E.T: The woman being turned from the shape of the table, into woman's shape, went into the dark and out of the dark, and brought with it a great white globe. Then one part of the darkness diminished. In the dark was a marvelous tumbling tossing, and stir, a long time during. A voice:

Ormium comprehendit: Fuit, est, et vobis erit.

E.T: The woman sayeth, Fiat: sum quod non sum. The ball went into the dark, and out of the dark, and brought with it a great white globe. Then one part of the darkness diminished. In the dark was a marvelous tumbling tossing, and stir, a long time during: A voice:

E.T: One commeth, (a woman) out of the dark, very demurely, and soberly walking, carrying in her hand a little round ball: and threw it into the dark, and it became a great thing of earth. She takes it in her hand again, and casts it up into the round globe and says,

A voice: For a time Nature cannot abide these sights.

E.T: She turned her back toward E.T. and there appeared a table divided into 24 parts, yet seeming to be very square.

A voice:

Scribe. Veritas est.

E.T: A sword came out of the darkness and clave the woman asunder, and the one half became a man, and the other a woman, and they went and sat upon the ball of cley or earth.
Now seemeth the Dark part to quake.

A voyce ——— Venito vasedg.

E.T: There cometh a woman oute of the Dark: she sayd,
Vita hiis ex mea mana.

E.T: She sheweth a Table square full of holes, and many things creeping out of it. This Square is within a round.

A voyce ——— O Lux Deus noster.
Hamuthz Gethog.

E.T: Then stept out an other woman having a sword in her hand. She toke a thing oute of the dark (a bright thing) and Cut it in twyyn and the one parte she cut into two unequal partes, and the other half she cutteth into a thousands (or innumerable) partes. Then she toke all the partes up into her skyrte. She hath a Table, and it hangeth on her shulders. She stept before the other woman, whose hed standeth in the dark.

This woman her Table is four square. She is very bewtifull.
She sayd, Lumina sunt hac Intelligentiae tue.
She sayd, Fere nulli Credendus est hic numerus.
This woman taketh the little peces, and casteth them up, and they become little sparks of light: and of the things she cast, There were two great round things. And they were also cast up to the white Transparent Globe. And she went away into the Dark: which was, now, very much lessened.

Then the other woman (who was forstept) thrust oute her hed who had the round conteyning the Square, with the 36 places. She crymbleth clay, and it turneth to byrds. She seameth to be like a witch. Into the bosse of her Table, she put her hand and that bosse, was in the Dark and oute of the bosse, she seemed to fetch that Clay. She sayd,
Ad usum tuum Multiplicati sunt.

E.T: She went into the Dark.
Note this cross with the two bees, the 4 and the 6, is one of the Notes annexed to the second Table of the 4 of Enoch's Tables: And the T of Enoch's Tables semeth to answer with the T first in the scale of Aemeth, and the cross also.
\[ B^2 \]
E.T.: A Voyce is hard saying,
   *Omnia gaudent fine.*

E.T.: There commeth oute a woman; out of the Dark. She plucketh at
the dark, and casteth it on the ground, and it turneth to herbes, and plants
becoming like a garden, and they grow up very fast. She sayd,
   *Opus est.*

E.T.: She hath a fowre square Table before her.

Then cam one, all in white, and taketh the Darkness, and wrappeth it up
and casteth it into the myddle of the Erthen Globe, on which appeared
Trees and plants.

E.T.: Then appered Michael, his Chayre, and Table agayne manifestly: which
all this while, were not seen.

Mi: *Obumbrabit vestigia vestra veritatia Luce.*

The Actor, The Actor, The Actor:
One Disposer; he, which is one in all; and All in all:
bless you from the wickednes of Deceyte: Create you
new vessels: To whome I commyt you.

E.T: he holdeth his sword over us, in manner, out of the stone.

Mi: Fare Well. Serve God. Be patient.

Hate vayne glorie. Live justly. Amen.

Đ: What spede shall I make for the yard square Table, the wax, the
seale, and the Character?   Mi: As thow ar motioned, so do.

Đ: *Gloria, Patri et F. et S.S. S.e.i.p.e.n.e.s.e.r.s.s. amen.*

Đ: Note, All the Tables before were by E.T, letter for letter noted out
of the stone standing before him all the while: and the
7 Tables following wer written by me as he repeted them orderly out of the stone.

*Aprilis 29: Sunday: Nocte hora 8 1/4*

E.T.: Two appeare, Michael and Uriel.

Mi: *Et posuit illos in ministerium ejus.*
   *Quid desideratis?*

Δ: *Sapientiam et scientiam nobis necessarium, et in Dei servitio potentem
ad eis gloriavm.*

Mi: *Sapere, a Deo: Scire a Creatura et ex creaturis est.*

Ur: *Venite filiae.*

E.T: Seven women appeare bewtifull and fayre.

Mi: This work is of wisdom (Δ: Sayd Michael, and stode up.)

E.T, sayd to me (Δ), He putteth oute his sword and willeth me to sweare, to
that, that he willeth me: and to follow his cownsayle.

Mi: Wilt thou.

Δ: Then with much ado, E.T. sayd as followeth,

E.T: I promise, ln the name of God the Father, God the sonne and God
the holy ghost, to peroforne that you shall will me, so far as it
shall lye in my powre.

E.T: Now they two seeme to confer together.

Mi: Now you towche world, and the doings uppon earth.

Now we shew unto you the lower world: The Governers that
work and rule under God: By whome you may have
powre to work such things, as shalbe to god his glorie, profit of your Cuntrie, and the knowledge of his Creatures.

What I do wish thee to do, thow shalt here know, before thow go. We procede to one GOD, one knowledge, one Operation.

_Venite filiae._

Behold these Tables: Herein lye theyr names that work under God uppon earth: not of the wicked, but of the Angels of Light.

The whole Government, doth consist in the hands of 49 (in God his Powre, Strength, Mercy, and Justice) whose names are here evident, excellent, and glorious.

Mark these Tables: Mark them. Record them to your [...]

This is the first knowledge. Here shall you have Wisdome. _Halleluyah._

Mighty and Omnipotent art thow, O God, God, God, amongst thy Creatures: Thow fillest all things with thy excellent foresight. Thy Glorie be amongst us for ever. Δ: Amen.

E.T: All the 7 (which here appeare) joyne theyr Tables in One, which, before they held apart. And they be of this Forme all to gither. The myddel most is a great Square and on eche side of it, One, as big as it, joyning close to it. And over it joyned two, which both togither wer æquall to it: and under it, wer such other two, as may appear in this little pattern. Being thus joyned, a bright circle did cumpas and enclose them all, thus: but nothing was in the Circle.
The Circle abowt was bright and Nothing in it./
ET: One stept furth, and sayde,

1: Wilt thow have witt, and wisdome:

Here, it is. (Δ: Pointing to the middle table.)

2: An other sayd, The Exaltation and Government of Princes, is in my hand. (Δ: Pointing to that on the left hand of the two uppermost.)

3: In Cownsayle and Nobilitie I prevayle. (Δ: Pointing to the other of the two uppermost: which is on the right hand.)

4: The Gayne and Trade of Merchandise is in my hand: Lo, here it is. (Δ: he pointed to the great table on the right side of the myddle Table, that I meane which is opposite to our right hand while we behold those 7 Tables.)

5: The Quality of the Earth, and waters, is my knowledge, and I know them; and here, it is. (Δ: pointing to that on the right hand: of the two lowermost.)

6: The motion of the Ayre, and those that move in it, are all known to me. Lo here they are. (Δ: pointing to the other Table below, on the left hand.)

7: I signifie wisdome: In fire is my Government. I was in the beginning, and shalbe to the ende. (Δ: pointing to the great table on the left hand of the Middle Table.)

Mi: Mark these mysteries: For, this knowe, the State of the whole earth is known, and all that is thereon. Mighty is God, yea mighty is he, who hath Composed for ever. Give diligent eye. be wise, mery, and pleasant in the Lorde; in whose Name, NOTE, Begynne the Middle Table &c. (Δ: I wrote oute of the stone the whole 7 Tables (as you see them here with theyr numbers and letters) while E.T. did vew them in the stone, and orderly express them.)

Δ: As concerning 39 V. 47 L &c in the second Table, where are 7 places and there but 6 numbers and letters, and yet every place semeth to have a letter, in the judgment of E.T. his sight. Which is the Number and letter wanting, and where must it be placed?

Mi: Non potestis hoc videre sine ratione.

Δ: This I inserted now, though it wer not at the first Noting. two numbers and two letters cuppled to them.

The Next day, as I was loking on the Tables being finished, and joyned all to gither in One Compound Figure, E.T. cam to me, and stode by me, and his ey was on the forsday place which I was forced to leave empty, in the 7th and last. And behold he saw hovering and hopping in the ayre, over the sayd place, and the next before it. And that, which I had placed the sixth, was to be put in the seventh place, and that which was wanting, was to be set in the sixth place being 30 N.

E.T: Every of the 7 Tables, as they wer written out of the stone do seme afterward to burn all in fyre: and to stand in fyre.

E.T: After all the Tables wer written, eche toke hir Table aparte agayn and stode in theyr order.

E.T: Note moreover. The First, had Bokes in hir hand. Kings ———— The second, a crown in hir hand.

Nobilitie ———— The Third, Robes.

Merchants Δ — Aqua — The fourth, animal quadrupes vicium omnim colorum.

Terra —— The fifth, Herbes.

Aer —— The sixth, a fanne.

Ignis—— The seventh, a Flame of fyre in hir hand.
A boke

E.T. must marry

1. Decedite in nomine eius, qui vos huc misit.
2. Uriel opened a boke in his own hand, and sayde,
4. The Elements with theyr powres judged. Loke, if thou canst [in the name of God] understand these Tables. Δ: No: Not yet.
5. Beholde; I teache. There are .49. Angels glorious and excellent, appointed for the government of all earthly actions: which 49 do work and dispose the will of the Creator: Limited from the beginnyng in strength, powre, and glorie.
6. These shalbe Subject unto you, in the Name, and by Invocating upon the Name of GOD, which doth lighten, dispose and Comfort you.
7. By them shall you work, in the quieting of the estates, in learning of wisdome: pacifying of the Nobilitie, judgement in the rest, as well in the depth of waters, secrets of the Ayre, as in the bowells and entralles of the Earth.
8. Their Names are comprehended within these Tables. Lo, he teacheth, he teacheth, Lo, he instructeth, which is holy, and most highest. Be mery in him: Prayse his name. Honor him in his Saincts. Behold him in wisdome: And shew him in understanding. Glorie be to him; To thee ô Lord, whose name perseth through the earth. Glorie be to thee, for ever. Δ: Amen, Amen, Amen.
9. Lo, I will breifly teache thee; you shall know the Mysteries in him: and by him, which is a Mysterie in all things.
10. The letters are standing upon 7 equall numbers. The Number before them is signifying, teaching and instructing (from the first Table to the last,) which are the letters that shalbe joyned to gither: begynning all, with B, according to the disposition of the number untill the 29 general names be known. The first 29 are more excellent than the rest. Every Name doth consist upon the quantitie of the place: Everie place with addition bringeth furth his name, which are 49. ———I have sayde.———

Δ: I pray you to tell me the first Name. Ur: The first Name is BALIGON.

Mi: I have to say to the*, and so have I done:

Δ: Now he spake to E.T., of the matter he sware him to, at the beginynning of this last instruction: and he told me afterward what Michael had willed and moved him unto. Wherat he seamed very sore disquietted: and sayd thus to me, E.T: He sayd that I must betake my self to the world, and forsake the world. That is that I shold marry. Which thing to do, I have no natural inclination: neyther with a safe Conscience may I do it, contrary to my vow and profession. Wherfore I think and hope, there is some other meaning in these theyr words.

Mi: Thow must of force kepe it. Thow knowest our mynde.

Δ: Deo opt Max. omnium honor laus et gloria in sæcula sæculorum. Amen.

Δ: E.T. wold not wilingly now deale with the former Creatures, utterly misliking and discrediting them, bycause they willed him to marry. Neyther wold he put of his hat in any prayer to god, for the Action with them: where= upon I went into my Oratorie, and called unto God, for his divine help for the understanding of his laws and vertues which he hath established in and amongst his Creatures, for the benefyt of mankinde, in his service, and for his glorie &c. And commyng to the stone, E.T. saw there those two, whom hitherto, we wer instructed to be Michael and Uriel.

E.T: Michael and Uriel, both kneled holding up theyr hands: and Michael seemed to sweat water abundantly, somwhat reddish or bluddish. There cam 7 Bundells down, [like faggots] from heven ward. And Michael taketh them kneeling. And Uriel taketh a thing like a superaltare and layeth it upon the Table: and with a thing like a senser doth make perfume at the fourre corners of the Table: the smoke ascending up: and the senser, at the last, being set on the Table it seemed to fall through the Table.

 Uriel semeth to be all in a white long robe tucked up: his garment full of plightes and seemed now to have wyngs. [which, hitherto, from the beginnyng of these kinde of Actions he did not] and on his hed a bewaylfull crown, with a white Cross over the Crown. Uriel taketh the .7. Bundells from Michael: and with reverence layeth them on the forsayd Superalterare.

E.T: There commeth a man, as thowgh he were all of perfect pure glistring gold: somtyme seeming to have One eye, and somtyme Three.

From under the Table commeth a great smoke, and the place semeth to shake.

Uriel lieth now prostrate on his face: and Michael contynually prayed sweating.

The Glorious man seemed to open the Covering of the .7. bundells [being of diverse cullored sylk,] and there appered, that these Bundells seemed to have in them, of all Creatures some, in most glorious shew.

The glorious man seemed to stand upon a little hill of flaming fyre. He taketh of, of one of the Bundells a thing lyke a little byrd; and it hoovereth affore him as thowgh it had life: and than it rested uppon the thing like a superaltare.

This glorious man seemeth to be open before, and his brest somwhat spotted with blud. He hath a berd forked of brownish cullore, his heare of his hed, long, hanging down to his sholders: but his face, for bewaylfull glittering, can not be discerned. His heares do shake, as thowgh the wynde carryed them.

This man blesseth the bird, making a Cross over it: and so he did three tymes. He looketh up to heven.

Now the byrd, which, before, seemeth to be but as byg as a sparrow, seameth to be as great as a swanne: very bewaylfull: but of many culours. Now looketh Michael up, and held up his hands to heven, and sayeth, Sic, Sic, Sic, Deus noster. Multiplicabit omnia, benedictione sua.

The former Bewtifull man taketh this fowle, setteth it on the bundell, and on the place, from whence it was taken: And, now, the place
where this byrd stode before, seemeth allso to be (proportionally) waxed big, as the byrd, (thus enlarged).
This man taketh an other byrd, and putteth the wyng of it, behind the wyng of the first (as thowgh he yoked them.)
This second byrd, at this his first taking, was as byg, as the first was become, (encreased, as it shewed), and it was also a very bewtifull one.

E.T: All is suddenly dark, and nothing to be seen, neyther Chayre, nor anything els.
E.T: A voyce was hard, like Michael his voyce, saying, It was a byrd, and is a byrd, absent there is nothing but Quantitie.

E.T: All is suddenly dark, and nothing to be seen, neyther Chayre, nor anything els.
E.T: A voyce was hard, like Michael his voyce, saying, It was a byrd, and is a byrd, absent there is nothing but Quantitie.

A voyce: Belive. The world is of Necessitie: His Necessitie is governed by supernaturall wisdome,
Necessarily you fall: and of Necessitie shall rise agayne.
Follow me, love me: embrace me: behold, I, AM.

E.T: Now all the Darknes vanished, the man is gon. Uriel standeth at the Table, and Michael sitteth now in his Chayre: and sayd,
Mi: This doth GOD work for your understanding.
It is in vayne to stryve: All Government is in his hands.
What will you els, what will you els?

Δ: Progressum et profectum in virtute et veritate ad Dei honorem et gloriam.
Mi. This hath answered all [y]our Cavillations.
Δ What hath answered all our Cavillations?
Mi. Thow hast written.
One thing you shall see more, as a persuasion to the Infirmitie.

E.T: The two byrds, which were there, before, and gon out of sight, now are shewed agayn: but none of the bundells appere.
They seme to grow to a huge bignes, as byg as mowntaynes: incredibly byg: and they seeme to hover up in the ayre, and to fly up toward heven, and with theyr wyngs to touch the sky: And one of them with his bill seemeth to take sterrs into it: and the other bird to take them from the same byrd, and to place them agayn in the skye. And this they did very often: and in diverse places of the heven with great celeritie.

After this they semed to fly over Cities, and townes, and to break the clowdes in peces, as they passed: and to cause all dust to flye from all walls, and towres, as they passed, and so to make them clene. And in the streetes, as these two Byrds flew, seemed diverse brave fellows, like bisshops, and Princis and Kings, to pass: and by the wyngs of these byrds, they were striken down. But simple seely ones, like beggers, lame and halt, childern, and old aged men, and wemen, seemed to pass so quietly, untouchted and unoverthrown of these two Byrds.
And than they seemed to come to a place, where they lifted up, with the endes of theyr wyngs, fowre Carkasses of dead men (owte of the grownde) with crownes on theyr heds: wherof one seemed to be a Childe.
First these 4, seemed leane, and deade: Then they seemed quick and in good liking: And they being raysed up: parted eche from the other, and went into 4 sundry wayes, Est, West, North and Sowth.

Now these two fowles having theyr wyngs joyned togither, light uppon a great hill: and there the First fowle gryped the erth mightyly and there appeared diverse Metalls, and the Fowle spurned them away, still.

Then appeared an old mans hed, heare and all, on; very much wythered. They tossed it betwene them, with theyr feete:

And they brake it: And in the hed appeared [in steede of the braynes] a stone, rownd, of the bignes of A Tennez ball of 4, cullours, white, black, red, and greene.

One of them (he that brake the skull), putteth that rownd stone to the others mouth or byll.

The other eateth or nybbleth on it, and so doth the other allso.

Now these two byrds, are turned into men: And eche of them have two Crownes like paper Crownes, white and bright, but seeme not to be sylver. Theyr teeth are gold, and so likewise theyr hands, feete, tung, eyes, and ears likewise All gold.

On eche of these two men, ar 26 Crownes of Gold, on theyr right sholders, every of them, greater then other.

They have, by theyr sides, Sachels, like palmers bags, full of gold, and they take it oute, and seemed to sow it, as corne; going or stepping forward, like Seedmen.

E.T: Then sayd Michael, This, is the ende.

E.T: The two men be vanished away.

Mi: Learne the Mysterie hereof.

Δ: Teache us (ô ye spirituall Creatures.) than sayd Michael,

Mi: Joye and helth give unto the riche:

Open strong locks:

Be Mercifull to the wicked:

Pluck up the poore:

Read unto the Ignorant:

I have satisfyed thee: Understand:

Read them over: God shall give thee some light in them. I have satisfied thee: Both, How you shalbe joyned,

To what intent, and purpose:

What you shalbe, (videlicet) in Deo.

Lok up this Mysterie:

*Forget not our Cownsayle:
Ô GOD, thow openest all things: Secret are thy Mysteries and holy is thy name, for ever,
The vertue of his presence, here left, be amongst you.

Δ: Amen.

Δ: What am I to do, with the wax, the Table, the ring or the Lamine? &c.

Mi: When the things be ready, then thow shalt know, how to use them.

Δ: How shall I do for the graving of the ring, May not another man do it, thowgh, E.T. Grave it not?

Mi: Cause them to be made up, {according to instruction} by any honest man.

Δ: What say you as concerning the Chamber, for our practise? May my fardermost little chamber, serve, yf the bet be taken downe?

Mi: At the next Call, for the Chamber, you shall know what to do.

Δ: Benedictus Deus in donis suis: et sanctus in omnibus operibus eius.
Amen. ended hor. 4 1/2
