

- Notes
1. Other pillars cut away at gates B to H.
 2. Slotted socket for dowel cramps to hold in place sandstone block replacements of original door pivots (at gates B to H).
 3. Traces of pillar rooted in ceiling. Recently plastered over.
 4. Clipping away of hardened concrete deposits that impeded entry of the chamber.
 5. Red granite lid of outer sarcophagus removed here during the removal of the third sarcophagus to Tanks in Dynasty XXI.
 6. Modern concrete base for the red granite lid of the second sarcophagus.
 7. Colored blocks, part of the original (pink) for the set of sarcophagi.
 8. Modern steps.
 9. No evidence of a divided runway was found by the TMP survey, although it is shown on earlier plans (Carter, Thomas, Foster and Mace).
